Dear Delegates,
Dear Chess Friends,

The Union of the Deaf in Bulgaria (UDB) presented its bid to host the XVIII ICSC European Deaf Club Chess Championships. It is foreseen to hold this event in one of the most beautiful bases of our Union on the Black Sea coast – hotel TISHINA (Silence) in the city of Primorsko.

Primorsko is located 56 km south of the city of Burgas. You can travel by plane to Sofia, Varna or

Burgas and from there by bus to Primorsko. You can also travel by train from Sofia to Burgas and then take a bus to Primorsko. The distance from the capital of Bulgaria – Sofia is about 500 km, from Varna - about 150 km and from Burgas – 56 km.

Hotel TISHINA is near both beaches of Primorsko – the distance is 150-300 m. The hotel has 89 2/3 bedded rooms and 7 apartments. On the ground floor there is a coffee/day bar and a table tennis playroom. The restaurant is located on the first floor. The playroom is 24 m long, 8 m wide and 3,20 m high. Here is where we foresee to hold the European chess championships. The hotel also has a swimming pool, a fitness hall, a sauna and a garden with a bar.

Usually in June the weather is sunny and quiet. This is why we propose to hold the championships from the 1st till the 10th of June 2007. In order to ensure the necessary conditions for the championships we met with Bulgarian Chess Federation and we have their full support and assistance – they will ensure chess playdesks, clocks, the information board and the referees.

The price for the accommodation of the participants is 35 Euro per person/per day and it includes accommodation in rooms with two beds and full board. The price includes also the official dinner (banquet). Those who wish to be accommodated in single rooms will have to pay an additional price. In order to make the free time more pleasant we foresee to make an excursion and beach-time. There are possibilities for accepting other guests who wish to participate in the championships as tourists.

We shall be happy to see you all in 2007 in Primorsko, Bulgaria!
